## Holiday Club

As part of a developing school service we would like to start planning for an Easter and Summer Holiday Play Scheme to support you with childcare during the school breaks. However, before we go ahead, we would like to gauge your interest for the service. We have looked at other local providers to consider our costs. Obviously this scheme has to be financially viable in order to be set up. We believe this could be a valuable service for you all. The Holiday Play Scheme would be run by our existing staff and based where our Wrap Around Club already exists (the Bunker) but with access to the school children's kitchen and computer room, as well as the outdoor play equipment. We would plan particular events etc; eg. Art day, Cooking sessions etc; but this would be dependent on numbers. Therefore if you are interested in a place at our Holiday Play Scheme for this summer could you please indicate on the attached tear off slip. In our first year this scheme will run for the first two weeks of the Summer break (24<sup>th</sup> July to 4<sup>th</sup> August inclusive) to be evaluated for a possible extension for next summer.

**Please complete the form on page 3 and return this to school by FRIDAY 12<sup>TH</sup> MAY 17 in order that we can communicate further with regards this summer.**

## Dad's Day - Friday 19<sup>th</sup> May 17

As advertised via our website we are planning to hold our third Dad's Day in a few weeks. The day is split into various sections fitting around the school timetable. Dads can book a session in a classroom throughout the day therefore allowing time to visit more than one child. Or they can book a morning or afternoon in school. However all of this is dependent on numbers. We will work on a first come first booked basis until we reach the number of dads per class to fit in with our fire and health and safety arrangements. I will need to set a deadline for booking this pre published date as there will need to be work planned around this, hence the need for numbers; the deadline is 3.30pm on Thursday 11<sup>th</sup> May. This will then enable us to respond on Friday 12<sup>th</sup> so that any work arrangements can be sorted within the week following. Requests after the 11<sup>th</sup> May cannot be considered for the day.

We look forward to another positive open day for our pupils and dads.

Please support our safeguarding of pupils by either not bringing a mobile phone into school or by leaving your phone in the office when you arrive. It is by everyone working together for the safety of all our pupils that we are able to have our open days, thank you.

**Please complete the form on page 3 and return to school.**
