## Holiday Play Scheme

Thank you to everyone who has responded to the discussion of a play scheme. Thank you also for the feedback that this is a great service to offer. Also feedback has been that this is too late for some to book for this summer, as already booked elsewhere, but would use this service next summer. This service couldn't have been offered earlier until we had a permanent business manager in place to take care of all the financial paperwork. However now we have Mrs Evans in post we can start to expand our Wrap Around Care to not only be 7:30am until 6:00pm school days but to include school holidays too. I have added the feedback tear off slip again today to enable you to look again if you missed sending this in. To those that have already responded I will write to again shortly to see if we have enough agreed days to enable this service to be viable for this year so that you have this information quickly.

## Budding Gardeners

Our tree has been named. Apparently it could be a Jacaranda Mimosifolia, usually native to South America! Or, a purple trumpet tree!

## Forest School Group

Next Wednesday we have a visiting group of children from a few local schools to learn about our work with Forest Schools. The children will report next week on their activities.

## Dads Day - Friday 19<sup>th</sup> May 12, 2017

We are again expecting a good number of Dads to our open day. In your child's book bag today you should receive the slip back with your time confirmed for next week. We look forward to seeing you.

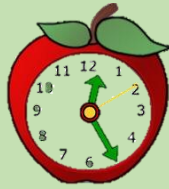

## Year 6

This week year six completed their last formal assessments in Primary School. They should be congratulated for supporting each other through the week to enable them to work as a team. This now allows them to breath again and start to enjoy their last few months ahead.

Well Done to Year Six

### Attendance and Punctuality

This week the class with the best attendance was: Moles with a fantastic 99.33%. Well done!

Unfortunately 18 late arrivals were recorded during this week. This has a big impact on how children start their day in school.

Hedgehogs - 6  
Rabbits - 1  
Foxes - 0  
Woodpeckers - 5  
Owls - 2  
Squirrels - 0  
Moles - 4

Thank you for continuing to support your child's learning journey by bringing them to school on time.
