Forest School

Visiting Year 3 pupils came to work with and alongside our Year 3 pupils. This week our Forest School provision hosted an event for children from other local schools. We are very proud of our work within Forest School and all it has to offer. Learning within and about the environment is a fabulous way to link into the children's developing interest of their world and their role within school. The day was really well received from the visiting schools who are, in turn, looking at setting up such a provision in their own schools.

Louis

I liked it when I went bird watching because I found a Blackbird and a person from another school told us facts about birds.

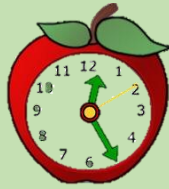

Isaac

At Forest School I enjoyed cooking. Then we had fun with the other schools when we were doing bird watching. We also found lots of insects like worms, slugs and centipedes.

Harry Boy

I enjoyed cooking because we all got dirty, bird watching because I had a go, I had to lift up a big rock and when I lifted it up it had an ants nest below Denis and I ran away!

Attendance and Punctuality

This week the class with the best attendance was: Foxes with a fantastic 96.08%. Well done!

Unfortunately 11 late arrivals were recorded during this week. This has a big impact on how children start their day in school.

Hedgehogs - 1
Rabbits - 2
Foxes - 3
Woodpeckers - 1
Owls - 0
Squirrels - 1

Thank you for continuing to support your child's learning journey by bringing them to school on time.
