Summer Fair

Year six, during our Healthy Body Healthy Mind week, completed some work with Mr & Mrs Ormrod with regards to first aid. This information got picked up via a Twitter feed on Radio 4. I received a late phone call before the weekend inviting some of year six pupils to a radio show for that Sunday which would be about children and First Aid. A few of year six attended the Radio studios in London. Attached is the clip of their first Radio 4 show!

School Fair Congratulations

Thank you to all that attended last Saturday, we had glorious weather compared with last years thunderstorm! Well done from the school staff, governors, parents and pupils to the PTA team for all of their hard work before the day, on the day and clearing up afterwards! The event was a great success raising £1,779. for the children of the school. This will go towards workshops and equipment next year to support the continued development of the school.

The PTA are holding their AGM on October 4th where you can find out further information about their events, past and present, and about future plans. At this meeting Georgie Luck, chair of the PTA, will be standing down after two years of successful fundraising. Thank you to her for the time and effort put into this role over those two years to ensure the whole team are always looking of ways to support the school. All parents are invited to the PTA AGM automatically as a parent of a pupil at our school.

Athletics at the Julie Rose Stadium

Congratulations to all the athletes who did so well on Wednesday. Your behaviour was fantastic, you made me very proud. Year 3 and 4 you were the overall winners of your age group following a wonderful effort. A huge thank you to all the parents who transported and supported the children on the day.
