### Make a Christmas Decoration

In the past the children have been asked to make a Christmas decoration or shoebox Christmas scene for display in school. These have always been really wonderful and added an extra Christmas feel for the school. So it is now that time again to allow their creative imaginations to flow and see what they can design this year. All decorations should be in school on November 30th for the staff to set the school ready for the children on December 1st. I really look forward to being amazed again at the fantastic ideas the children present.

### Inset Day

As per the notification of the dates given out in September a helpful reminder that we have a inset day on 24<sup>th</sup> November

### Wraparound Care

Please be aware that wraparound care has been cancelled on Thursday 7<sup>th</sup> December due to "Christmas shopping, craft & movie" night. Also, Thursday 14<sup>th</sup> December wraparound care provision has be cancelled due to Sutton Valences' staff event. We apologise for any inconvenience caused but with this early notice this should enable alternative arrangements to be made.

### Christmas shopping, craft and movie night.

The PTA has had a fantastic idea of running a Christmas shopping craft and movie night. The date for this is now fixed for Thursday December 7th. The idea is that, with the convenience of your child staying at school, you have the space and time to Christmas shop without the children.

The children would make Christmas crafts, play a few games and have a pizza meal together, followed by an up to date movie and popcorn.

The charge for this is £10.00 per pupil with a £1 reduction per sibling. I'm sure you'll agree for the activities and 4hrs 45mins childcare that is a great price whilst also supporting the school in a fundraiser for all of the children.

Please put the date in your diary and a booking form will be sent out early next week. Please note there will be no wraparound or after school clubs on the 7th Dec to accommodate the space needed for this PTA event.

## "Seasonal Christmas Shop"

The Forest School will be selling Crafts and food made from our own vegetables that we have grown on our allotment.

These will include; Pickles, Jams, Chutneys and sauces.

The shop will be open every Friday at 3.00 - 3.20pm starting Friday 10<sup>th</sup> November 2017.

Monies raised will go towards forest school provisions also 10% will go

to our friends in Kampala, Uganda as we are hoping to enable them set up a "Kitchen Garden".
