All of our performances are two tickets per family on a first come basis. Please place your requests into the office post box so that they are attended to in date order; the post box will be emptied twice a day.

Please have all your requests for tickets into school by Monday 11th December at 9:15am so that we can then offer any remaining spaces to any additional requests. We ticket these events as our school hall has a fixed capacity due to regulations for fire risk. Please respect this request so that all children and adults are safe on site.

We are also asking for £1:00 per ticket so that we have the exact seats available. All monies received from this will go to Crisis at Christmas. Last year we managed to buy 23 Christmas places for homeless people which was really fabulous.
