Please ask us why we are Golden Children ☺

Old Poppies

For our poppy collection this year we raised £161.40 the village as a whole raised £2300 which is fabulous.

Plastic Lids

We would like to complete an art project using old plastic lids. Could you please start to send in your cleaned plastic lids of any colour or size. If we collect enough we should be able to complete our planned project around about next Easter! So please allow us to re-use your plastic lids.

Forest School

We are linking social enterprise with global education and so far the children have raised £100 for a kitchen garden in Kampala, Uganda, through our chosen charity, Awamu. They work with networks of determined women in the slums to change the lives of vulnerable children. With Christmas on the way, please take a look at some beautiful products (made by these inspiring women) and help the children to make even more of a difference.

Christmas Performances

Last week a sheet went home with all the performance details for you to book into. The deadline for a return is Monday 11th December 2017 in order that we re-issue the remaining tickets.

PTA

Christmas Craft & Movie Night tickets will come home in the children's book bags early next week. The children are welcome to bring 'own clothes' and a cushion to help them get comfortable during the film. We have fun games, biscuit decorating and a craft activity planned and they will have a choice of watching either The Nativity or Despicable Me 3. At the end of the evening (7.30pm) the children can be collected from the school hall.

The PTA are very excited to be having such a fun night and are looking forward to seeing all the children and their wonderful creations on the night.
