

Sutton Valence Primary

Encouraging respect, inspiring resilience and building positive relationships...

What an interesting week it has been here at Sutton Valence Primary School! The weather has certainly been a challenge but I want to say a massive well done to all of the children and staff members here for showing some impressive resilience throughout the week!

I want to take this opportunity to share some really positive news we had regarding assessments over the past fortnight! In my previous newsletter I shared that our Year 4 Class had completed their Multiplication Assessment. We have now had the results back and we could not be prouder! We had 15 children get full marks (25 out of 25) and the whole class average was 22.5 out of 25. An incredible achievement! I also saw the figures on the progress the children have made since the start of the year and I was astounded! Well done Year 4, Mrs Stewart and Mrs Underdown on these incredible results!

We also had the results of the Year 1 Phonics Screening Test and the results are equally as impressive! I was blown away when I saw how much progress the children have made from the start of the year until now! Huge congratulations to Year 1, Miss Marrett and her team!

I hope you all have a fantastic weekend and that the heat lowers slightly to something a bit more manageable!

Sports Day

What a fantastic couple of Sports Days! Our KS1 and KS2 pupils showed great enthusiasm, determination and teamwork throughout the events. It was wonderful to see everyone taking part, encouraging one another and having lots of fun in the sunshine.

A huge well done to all of our children for their excellent effort, positive attitudes and brilliant sportsmanship. Thank you to our staff and families for helping to make the days such a success.

Well done, everyone!

School Parking Requirements

Due to the continued increase in Breakfast and After School Wraparound attendance, we are reminding all parents and carers of the school's parking requirements.

For Breakfast Club, you must use the designated visitor parking spaces only and park correctly within a marked bay. The visitor parking spaces are on the right as you come down the drive, in front of the school office. The main car park is reserved for staff use to ensure they can arrive promptly and supervise pupils safely at the start of the school day.

For After School Wraparound, parents and carers may use the school car park; however, vehicles must be parked sensibly and fully within marked bays at all times.

For all other after-school clubs, parking is to be in the Village Hall car park only.

Incorrect parking causes disruption and creates safety concerns.

We expect all parents and carers to follow these arrangements at all times.

Notices

- Please can we ask that you make use of the whole drive during drop off in the morning. This is to make sure the flow of traffic continues, the main road doesn't get clogged up with traffic and more children are able to exit their cars in one go. If your child is in Reception, Year 1 or Year 2, you are still able to drop them off at the end of the drive and an adult will be there to ensure your child walks to the KS1 and Reception gate.
- Please can we remind you to use the paths around school and NOT walk on the drive at drop off or pick up.**
- Please be mindful about parking when not using the village hall car park. Avoid parking on other people's driveways, or parking so paths are blocked as children are having to walk in the road.

KEY DATES	Monday 29th June	YR & Y2 Folkestone Trip	Thursday 2nd July	PTFA Summer Disco
	Monday 6th July	Transition afternoon	Tuesday 7th July	iRock Concert
